Introduction of T2iD

WHAT is T2iD? WHY T2iD?

T2iD is Trinity's new manufacturing partner. Operations are located in Indonesia.

Things that Stay the Same:

- Commitment to excellence

Things that We Gain with Diversification:

- Expanded production capabilities
- Additional patterning/product development bandwidth
- Reduced risks for our dealers
- Mitigate geopolitical risks
- Circumvent down time from cultural holidays

Your partner in custom

Our commitment to you is that we strive to never be the same company a year from now that we are today. Your customer's needs change, fabrics change, technology changes. It's our job to be sure we change with those needs.

Introduction of T2iD

Things that Stay the Same:

QUALITY

- Quality will be the same as what you've gotten with iD.
- Although they are different facilities, our goal is to maintain consistency among quality and deliver a garment as good as or better than what you have been receiving from iD.

CONSTRUCTION

- Garments made at T2iD will have the same canvas and components as your iD Garments.

That is all we make, premium part construction.

Introduction of T2iD

PRICING

- Due to lack of tariffs in Indonesia, the T2iD MTM pricing is 2% less than iD MTM Pricing.
- All upcharges remain the same. Linings/Premiums etc.

How do I find the Price List for T2iD MTM?

- There are two price lists available for T2iD MTM

1. T2iD MTM Half Canvas

Like the Windsor Tailoring Grade from iD

2. T2iD MTM Full Canvas

Like the Buckingham Tailoring Grade from iD

- Choose via Tailoring Grade and Click Go
